Organizational Playbook for Colleges & Universities

September 2020 | Version 2

Thank you for considering leading a procession and rosary rally to help bring unity to our country. This book has been written by the people who organized a successful rally in Madison, Wisconsin on August 15, 2020. They are sharing all of their experiences to make it easier to organize your event.

If you agree to be a leader and plan a rally, we ask that you follow our gameplan very closely. We think you'll find these plans simplify the process and will answer most of your questions. Should you have any questions as you go through the process, you can reach us at info@uniteournation.net, and we'll be happy to help.

Our prayer now is that through the sharing of our formula for success captured in this playbook, that the Holy Spirit will ignite fires nationwide to Unite Our Nation. Will you be the one to lead the effort where at your school?

All for the greater glory of God, through our Immaculate Mother.

The Eight Key Steps for Success

2. Create a great leadership team
3. Commit to praying for team success
4. Identify the date for the Eucharistic Procession/Rosary Rally
5. Register your procession on UniteOurNation.net
6. Develop a coalition of student groups and local sponsors to help spread the word
7. Create and implement a plan
8. Develop a timetable and stick to the due dates

The Eight Key Steps for Success

Throughout this playbook you will see we refer to our website, UniteOurNation.net. Make sure you utilize our [Resources](#) tab for free templates, letter samples, poster art and social media tools.

We also want you to encourage your participants to register through UniteOurNation.net, so you know how many are attending. You will also be able to send reminders to those who register. They can register in the Events tab.

Timeline

The Madison, Wisconsin group organized a successful rally with 3,000 participants in roughly 3 weeks, so know that this can be done! “God will not be outdone in generosity.”

Why is this led by the laity?

We have awesome church leadership throughout our country, but they can't do it all. They need all of us to step up—to show support for our church, our Bishops, Priests, Deacons and Religious, and to get the laity energized. We are many parts, but one body. Right now, in our current climate, we need courageous men and women to lead these Eucharistic Processions and Rosary Walks to pray for our country. Your church leaders will come, they will speak and they will be forever thankful to your group for standing tall.

What if I feel I can't really organize a big Eucharistic Procession and Rosary Walk?

Every prayer is important right now. You can also scale down this plan and lead a patriotic rosary walk at your college, university or community. We still want you to register it on our site, and we will help you promote it in your local community.

Schedule Your Event

- You will need a Spiritual Director through Campus Ministry: Priest or Deacon—to sponsor the event. The Spiritual Director will lead the planning of the Eucharistic Procession
- Involve student groups, instructors and professors, student life, local community if invited.
- Notify and invite police and campus security and ensure compliance with or understanding of all permits—if you are processing off campus you may have to work with city governments to get a permit. Make sure to do this early in the process.
- Stress to everyone that this event is a peaceful, prayerful, public profession of our Catholic Faith. It is non-political, and no political signs or attire will be allowed. The focus is on the Eucharist and prayer.**

Develop Coalition of Sponsors

- If you are inviting the local community, reach out to Catholic organizations for event promotion and prayer—you are going to ask them to promote the event through their email lists and on their websites. You could also ask them for monetary donations if needed. Use the solicitation letter templates on our site in the [Resources](#) tab
 - E.g. Youth groups, men’s groups, Knights of Columbus, women’s groups, pro-life groups, religious orders
- Sponsors are a critical part of spreading the word to their mailing list. The more sponsors, the more credibility and communication for your event
- You may also solicit local businesses for donations and sponsorships to help defray organizational expenses—remember, no amount is too small!
- Share collateral (marketing materials, etc.) with sponsors to post on websites, email their team, and contact via phone or text
